

Digging 4 Dinner

Sound Water Stewards is pleased to continue our popular clamming classes. We are offering classes on one of Whidbey Island's best clamming beaches this summer, so you can dig for your dinner. A \$10+ donation per person is asked for to help offset the costs of providing this class. Thank you for your support!

You will learn:

- ◇ *Recreational shellfish harvesting rules and regulations*
- ◇ *How to harvest clams safely and sustainably*
- ◇ *How to clean and prepare clams for dinner*

Date & Day	Beach Location	Time
June 13—Sunday	Double Bluff	12:30 pm
