

LANGLEY WHALE CENTER FIELD TRIP

MAY 13, 2022 & MAY 14, 2022

Both days are identical in description.

Time: 9:30 am - 11 am

Place: Langley Whale Center, 105 Anthes, Langley, Wa

Directions: Getting to the Water's Edge site 49. Go to the intersection of First & Anthes Ave. The Whale Center is several doorways up from this intersection beyond the gallery and glass shop. Park on nearby city streetss.

Coordinator's Contact Cell: Cynthia Scaringe 360-220-6272

Maximum #: 15

Description:

See the best of the Langley Whale Center through the informed guidance of a Staff Docent! The Center, sponsored by the Orca Network, is the premier Whidbey location to learn about whales and our other pinniped neighbors of the Salish Sea. Here are also exhibits, specimens, and a rich collection of resources, many which are available in the gift shop.

The tour will continue, after the time at the Center, down to the Whale Bell Park and Langley Seawall Park for an up close look at the ghost shrimp sands that bring the mighty Grays to our Eastern shores.

Joan. The best photos seem to be located at this site
