

Low Tide Beach Walks

June 2023

Date	Beach Walk Starting Time	Low Tide Time	Low Tide Height
Sat. June 3	10:30am	11:06am	-2.6 ft
Sun. June 4	11:00am	11:48am	-3.3 ft
Sat. June 17***	10:00am	11:11am	-2.4 ft
Sun. June 18	11:00am	11:48am	-2.6 ft

*** Indicates a special beach walk with seining net, aquarium and touch trays.

These are informal beach walks but we'll have some important information for you just before the start of the walk. There will be some folks wearing vests on the beach to help answer questions and identify animals.

The beach walks are sponsored by:

Tide data for Greenbank (across from Cama Beach) from AyeTides XL
